

CMD'S MESSAGE

On the Occasion of 55th Annual Day of WAPCOS

Dear Colleagues,

I am delighted that WAPCOS has completed 55 years of memorable and exciting journey of excellence and wish to share my thoughts on this momentous occasion. I acknowledge the tireless efforts of each one in WAPCOS family, who are working with renewed zeal, focus & commitment.

Business landscape around the world is fast changing in recent years. I am pleased to share that we were able to sense these signals early and could address effectively to align our actions accordingly. As a result, the Company has been able to consistently secure large business orders specially in international market under stiff competition. WAPCOS achieving top rank amongst International consultants in recent release of Asian Development Bank reflects that core Competencies and professional approach are our focus areas. I wish to reiterate the importance of structured processes and I am happy to share that we have already initiated several systemic restructuring processes in the Company in recent years.

I am also happy to share that our key performance indicators such as New Business, Turn Over and Payment Realization have seen upward trends and we are poised to further consolidate on performance indicators in future. In spite of challenging circumstances, several projects of national importance were completed and received wide spread appreciation.

We sincerely acknowledge with gratitude the exemplary guidance provided by the Ministry of Jal Shakti and Board of Directors. I also convey thanks to all the Ministries & Departments of Government of India and other stakeholders for their continued Cooperation. I wish to make special mention of our valued clients in India and abroad, who continue to repose trust all the time and I am sure that we will most certainly take up many more projects with them in future.

I urge all to continue to work as team in aligned manner and do our best to achieve the vision of Hon'ble Prime Minister for Viksit Bharat @ 2047. I can assure that greater successes await WAPCOS in near future. I congratulate each one of you and your family members who are part of this glorious & shared journey on 55th Annual Day of WAPCOS.

As I conclude, I wish to assure that employees welfare is my priority and will remain so in future.

26th June 2024

R. K. Agrawal
